Dear Jeremy and the Sposen Team,

We just wanted to say thank you and the Sposen team for making our dream come true. We started out with a tree covered piece of land and a vision. Sposen not only made that vision come to reality , it was more then we could have dreamed of. When we started this process we didn't know what to expect, but everyone at Sposen made this process seamless. Jeremy and his team were always very reassuring and willing to do whatever possible to help us achieve our goals. We would like to say a heartfelt thank you to Sposen for making our dreams become reality.

Sincerely,
Stephen & Cathy Maniscalco
